Transformational Coach
Salary: £20,638 per annum

Intact is looking to recruit a dynamic, enthusiastic person with a 'Can Do Attitude' and a 'Positive Outlook' on life. The Building Better Opportunities projects for Lancashire form multi-partner delivery models that aim to support those most at risk of exclusion from the labour market and identify, reduce and/or remove barriers to engagement and employment for participants.

Reporting to the Community Development Manager, the post holder will be responsible for engaging, mentoring and progressing people furthest away from work to improve employment prospects and engage in work readiness activity.

The post holder will work with disadvantaged and hard to reach groups from the most deprived neighbourhoods in Preston, helping them to overcome the many obstacles to improving their employability and skill levels, providing an integrated approach to those not already engaged in statutory provision.

This is an opportunity to join a thriving community based organisation. We are looking for the right person to deliver this project during 2021, maximising our resources and partnerships and making a positive difference to the lives of local people. You will be part of a very dedicated and motivated staff team committed to excellence and making a real difference. This is a one year post.
