**CHAIRMAN'S STATEMENT
FOR THE YEAR ENDED 31 MARCH 2020**

The chairman presents his statement for the period.

This report deals with the year up to 31 March 2020. Before the year end, we had to close the Centre, furlough some of our staff, and others started working from home.

Even before Covid-19 struck, times were hard for the Third Sector, and we did well to record only a slight drop in grant funding compared with the previous year. As people costs are far and away the biggest proportion of our expenditure (over two-thirds), if we cannot see the income coming in, we have no choice but to cut back on those people costs, with redundancies last year, and further cut-backs in working hours in the financial year upon which we are now reporting. We were also finding it increasingly difficult to pay the day-to-day running costs, the costs of keeping the building open, paying the utility bills and the like, costs which come to some £40,000 a year. We used to be able to rely on regular non-project related funding from various funders who, for one reason or another, can no longer help. So late in 2019, we approached Ingol and Tanterton Neighbourhood Council (I&TNC) with a proposal to enter into a partnership with them, whereby they picked up half our overheads over the next four years, with us working closely with the Council, helping them to deliver their 'community cohesion' and 'betterment' agenda. As a result of our receiving the first annual tranche of £20,000 in January 2020, we are able to show a surplus of £7,085 on the year, instead of the £12,915 loss we would have shown without this grant – whilst knowing we have it 'in the bag' for the next few years is a great help in the current uncertain climate.

Of course, we must not forget all our other funders who are detailed in note 14 on page 24 of these accounts. Note in particular the one-off funding from the Trusthouse Foundation, to contribute towards the CEO's salary, as well as the National Heritage funding for Dobcroft Nature Reserve, which has now run out: while funding carried forward into 2020, from the Henry Smith charity (for our Drop-in service) runs until July 2022 and the Building Better Opportunities Employability Programmes fund runs until March 2021. We continue to be grateful for the support and funding which we receive from Preston City Council, whose focus again was on Fitter Finances and on support to tackle food poverty, including help with the launch of our new Pantry, which was opened on 19 June 2019 by the Mayor of Preston, Cllr David Borrow: and which has continued in supporting a growing number of local residents with a supply of good, cheap, quality food.

Last financial year (2018/19) we recorded our first surplus since 2014, and this year (2019/20), thanks to the I&TNC grant, we have again made a surplus. Nevertheless, our cumulative loss over the last five years is still £15,787. Our target was (and is) to build up our reserves such that we had a minimum of three months Unrestricted Reserves. At this year's rate of expenditure, that would be £71k, so at £74,045 we are just over our target. Why do we need these reserves? The answer is we need to save for a rainy day. And at the time of writing this, it's pouring. Three months into 'lock-down', we have no income coming in from our trading activities, some old funds have ended, and new funding (other than Covid-19 related) is impossible to come by. It is difficult to see how we will be able to get by in 2020 without drawing on those reserves – so we are very fortunate to have them, as we know we will survive this crisis. There are, I regret to say, a lot of charities right now in a much worse financial position than Intact.

d. VOLUNTEERS

Intact continues to provide a good quality Volunteer Programme that supports a wide range of people from all walks of life. Without its dedicated volunteers many services and activities would cease to exist as they play a key and vital role in their delivery, regularly supporting and befriending our service users. Intact provides a wide range of support, training and various activities throughout the year to support its volunteers through its tutor support session, regular volunteer forums, groups and 1-1 supervisions, a varied training programme and an annual Reward and Recognition Ceremony to celebrate the achievements of those volunteers.

Our volunteers are a reflection of the wider community reaching ex professionals, retired adults, single parents and adults who are recovering from ill health, who have skills and knowledge to profit our beneficiaries. Some volunteers have provided personal accounts of their experiences; including being a mental health nurse in the 1940's, living with Bipolar and supporting loved ones who live with dementia. Long term opportunities include gardening, reception, IT skills and social groups.

Intact currently has a bank of 95 active volunteers for April 2019 to March 2020 all of whom are involved in a wide range of volunteering opportunities, including Digital and Advice Champions, Pantry and Café Assistants and Centre Support and Advice Volunteers and of late, our Nature Reserve Volunteers e.g. Land Management and Bee Keepers group. Please see annual report for further information.

Number of new volunteers recruited: 70

Volunteer numbers for each category were:

4 Advice Champions, 2 Catering, 3 Centre Support, 9 Community Champions, 5 Digital Champions, 2 Employability, 77 Environmental, 2 Flash, 3 Health, 11 Land Management, 8 Trustees

Achievements and performance

a. REVIEW OF ACTIVITIES

Intact continues to support and serve people of Ingol & Tanterton, and elsewhere in Preston, by operating a Community Centre and running a range of specialised services for vulnerable and disadvantaged people, both at the centre and out in the community. Most of our staff are funded on a project basis to deliver outcomes, most of which relate to: tackling economic exclusion; health issues; work with young people and reducing social isolation.

Organisation aims:

Based in the heart of the Neighbourhood the Intact Centre is for people of all ages. A 'hive of activity' is provided via our 2-storey building which has a café IT suite training treatment & quiet rooms & large multi-use room. Operating for 25 years Intact is the only facility of its kind in Ingol and the centre is a vital part of community life for residents & for many it's a lifeline.

Our mission is 'Making a difference by being there' and our objectives are:

1. To support people to become actively involved in their community, and to develop local social capital and cohesion
2. To provide high quality activities and services – contributing to the health, social and economic wellbeing of the community
3. To enhance the local environment and provide high quality community facilities
4. To achieve a strong, sustainable, reputable, and influential organisation, well connected to a broad range of partners.

TRUSTEES' REPORT (continued)
FOR THE YEAR ENDED 31 MARCH 2020

We achieve our aims by providing a wide range of services and activities in a variety of areas such as: debt and consumer advice and support; employability and digital inclusion programmes; health and well-being activities, social inclusion programmes, a community café and a well-established volunteering programme, with Investors in Volunteers status.

Core services includes. weekly Work Clubs, Drop-in (to use phone/talk to someone/help with crises) free supported IT training basic skills; accredited courses (First Aid/Food hygiene) social activities to reduce isolation (Arts/Crafts/painting/yoga)

To complement our services Intact give other providers access to the community (through the centre) so local people don't miss out on other support. This direct access is established because Intact is a local well established & trusted organisation. Often the nearest comparable provision is City centre based (4 miles away).

The following gives an overview of services and programmes provide during 2019-2020:

1. **Direct Help** – which is a free, drop-In, providing confidential support and information for all

17. **Whitbys café** – providing a full menu at affordable price

Partnership working:

Intact has well established relationships and a good track record with funders and partner agencies with many examples of partnership working. Our good reputation has enabled excellent partnership working with organisations such as Job Centre Plus, CAB, Preston Community Gateway, Local housing providers, as well as local churches and schools and local authorities eg. Lancashire County Council, Preston City Council, Lancashire Adult Learning College and the Wildlife Trust. These partnerships provide a more holistic approach enabling development of a 'one-stop shop', whereby people with multi-complex needs can access a fully encompassing bespoke service. There are several agencies that provide more specialised support but do not offer the holistic approach Intact does and some have had to remove services in Ingol due to the economic climate. Our 25 year track record and a locally based accessible centre enables other agencies to use Intact as a 'way-in' to Ingol by using our excellent facilities. More recently we have re-established the Ingol and Tanterton UNITE Community partnership to continue to work with local service providers and to ensure there is no duplication in new and existing services, and to work better together.

Financial review

a. GOING CONCERN

After making appropriate enquiries, the trustees have a reasonable expectation that the charity has adequate resources to continue in operational existence for the foreseeable future. For this reason they continue to adopt the going concern basis in preparing the financial statements.

b. RESERVES POLICY

It is the normal policy of the charity to maintain unrestricted funds which are free reserves of the charity which equates to three months unrestricted expenditure. This normally provides sufficient reserves to cover management, administrative and support costs for the ensuing three months.

Current unrestricted reserves are £74,045 in 2020 (£29,529 - 2019)..

Structure, governance and management

a. CONSTITUTION

The charity is registered as a charitable company limited by guarantee and was set up by a Memorandum of Association on 6 October 2008 and amended by special resolution on 23 February 2009 , and is a registered charity number 1128330.

b. METHOD OF APPOINTMENT OR ELECTION OF TRUSTEES

The management of the charity is the responsibility of the Trustees who are elected and co-opted under the terms of the Articles of Association.

c. ORGANISATIONAL STRUCTURE AND DECISION MAKING

The Trustees who served during the year are set out on the Reference, Trustees and Admin details on page 1 of these financial statements. The Trustees meet on a quarterly basis as a minimum and more often if required. The Intact Sub Committees ie. Finance, Business Development and Personnel and Policy, meet on a monthly to six weekly basis to oversee the efficient running of the charity

d. RELATED PARTY RELATIONSHIPS

On the 5th December 2012 the charity acquired 100% of the shares in a limited company Community Cogs Limited (registered company number 08319660). This company operates a cafe and offers catering services to the community. Community Cogs Limited ceased to trade on 30 June 2017 and all activities were transferred to the charity.

e. RISK MANAGEMENT

The Trustees have assessed the major risks to which the charity is exposed, in particular those related to the operations and finances of the charity, and are satisfied that systems and procedures are in place to mitigate our exposure to the major risks. These major risks are the impact of short term funding, changes in funding streams, changes to key personnel and changes in local and central government policy.

Plans for future periods

a. FUTURE DEVELOPMENTS

As a community led organisation Intact has worked with and for the Ingol and Tanterton Communities, for the last 25 years. Our provision of an excellent variety of services and activities, coupled with our good name and track record amongst the community and other local voluntary organisations across Lancashire has led to many service, activities and visits to our centre. During this time Intact staff, trustees and volunteers has developed a vast amount of local knowledge, skills and experience, as well as acquiring and developing a range of community based assets such as: a 2 storey community centre and community café, a multi-use games area, and a local 5 acre 'nature reserve'.

Our Plans for the Future:

Trustees and the Chief Executive of the Ingol and Tanterton Community Trust (Intact) wish to develop a new business model to diversify and increase the income streams of the charity and to build organizational resilience. Intact was established as independent charity in December 1994 and has spent the past two years reviewing its internal and external relationships and believes that to be able to deliver its objectives it needs to develop its infra-structure.

Income generation is becoming increasingly difficult as some existing projects come to an end reducing our options for fundraising activities. We recognise the need to change the way we work, in order to be here for the longer term future.

With this in mind Intact has developed an aspiring business strategy and growth plan with the aim of increasing its income to over £400,000 by 2021-2022 and increasing its staff structure from 10 to 12 staff. To achieve this aim Intact will focus on two main areas of development

- a. Café and Pantry Food Projects
- b. Dobcroft Nature Reserve

Intact will aim to retain its existing funding base from current funders over the four-year life of this strategy. It will also diversify and develop its funding sources for example:

- a. **Funding sources:** The charity will identify funding channels that are different categories of income that Intact is already accessing or might expect to be able to access in future i.e.
 - a. Attracting new support from Trust, Foundations and Housing Associations to raise £23,000 in grants by 2021-22
 - b. Fundraising for large and multi-year grants from Lottery Funders to raise £170k per annum
 - c. Donations and other earned income to raise £60k per annum.
- b. **Developing funding sources:** A range of unrestricted funding will be considered in future fundraising e.g:
 - a. Full Cost Recovery
 - b. Annual fundraising events: e.g. coffee morning, sponsored walk, raffle.
 - c. Donations
 - d. Volunteer Fundraisers

To support this growth, Intact will use its Business Development Sub Committee to oversee the fundraising activities, drawing in other Board members as needed, for example, to access the networks and contacts of Board members and promote Intact and its work to potential individual and Corporate donors.

TRUSTEES' REPORT (continued)
FOR THE YEAR ENDED 31 MARCH 2020

a. FUTURE DEVELOPMENTS - continued

FUNDRAISING GOALS - To further its mission Intact has established a set of fundraising goals. These are to:

- Establish a culture of fundraising that involves board, staff, and volunteers
- Increase annual fundraising revenue to £20,000 by 2021
- Diversify the donor base, find larger donors and obtain multi-year grants resulting in over £220k pa
- Expand revenue from partnerships to include new income streams of £30,000
- Increase current partnership contributions to £15,000 from the local authority i.e. Preston
- Engage with corporate donors to raise an additional £10,000 per annum
- Retain all current partners

Our ideas include further developing and improving the use of our community based assets, e.g. the Intact Centre, Whitbys Café and Pantry and our local Nature Reserve in order to bring people together and encourage them to become more actively involved.

MEMBERS' LIABILITY

The Members of the charity guarantee to contribute an amount not exceeding £10 to the assets of the charity in the event of winding up.

No restatements were required.

1.3 Company status

The charity is a company limited by guarantee. The members of the company are the Trustees named on page . In the event of the charity being wound up, the liability in respect of the guarantee is limited to £10 per member of the charity.

1.4 Income

All income is recognised once the charity has entitlement to the income, it is probable that the income will be received and the amount of income receivable can be measured reliably.

Gifts in kind donated for distribution are included at valuation and recognised as income when they are distributed to the projects. Gifts donated for resale are included as income when they are sold. Donated facilities are included at the value to the charity where this can be quantified and a third party is bearing the cost. No amounts are included in the financial statements for services donated by volunteers.

Donated services or facilities are recognised when the charity has control over the item, any conditions associated with the donated item have been met, the receipt of economic benefit from the use of the charity of the item is probable and that economic benefit can be measured reliably. In accordance with the Charities SORP (FRS 102), the general volunteer time of the Friends is not recognised and refer to the Trustees' report for more information about their contribution.

On receipt, donated professional services and donated facilities are recognised on the basis of the value of the gift to the charity which is the amount the charity would have been willing to pay to obtain services or facilities of equivalent economic benefit on the open market; a corresponding amount is then recognised in expenditure in the period of receipt.

1. ACCOUNTING POLICIES (continued)

1.5 Expenditure

Expenditure is recognised once there is a legal or constructive obligation to transfer economic benefit to a third party, it is probable that a transfer of economic benefits will be required in settlement and the amount of the obligation can be measured reliably. Expenditure is classified by activity. The costs of each activity are made up of the total of direct costs and shared costs, including support costs involved in undertaking each activity. Direct costs attributable to a single activity are allocated directly to that activity. Shared costs which contribute to more than one activity and support costs which are not attributable to a single activity are apportioned between those activities on a basis consistent with the use of resources. Central staff costs are allocated on the basis of time spent, and depreciation charges allocated on the portion of the asset's use.

Fundraising costs are those incurred in seeking voluntary contributions and do not include the costs of disseminating information in support of the charitable activities. Governance costs are those incurred in connection with administration of the charity and compliance with constitutional and statutory requirements.

Costs of generating funds are costs incurred in attracting voluntary income, and those incurred in trading activities that raise funds.

Charitable activities and Governance costs are costs incurred on the charity's educational operations, including support costs and costs relating to the governance of the charity apportioned to charitable activities.

All expenditure is inclusive of irrecoverable VAT.

1.6 Tangible fixed assets and depreciation

All assets costing more than £1,000 are capitalised.

A review for impairment of a fixed asset is carried out if events or changes in circumstances indicate that the carrying value of any fixed asset may not be recoverable. Shortfalls between the carrying value of fixed assets and their recoverable amounts are recognised as impairments. Impairment losses are recognised in the Statement of financial activities incorporating income and expenditure account.

Tangible fixed assets are carried at cost, net of depreciation and any provision for impairment. Depreciation is provided at rates calculated to write off the cost of fixed assets, less their estimated residual value, over their expected useful lives on the following bases:

Property	-	2% straight line
Fixtures & fittings	-	written off over five years
Computer equipment	-	written off over three years

FOR THE YEAR ENDED 31 MARCH 2020

1. ACCOUNTING POLICIES (continued)

1.7 Investments

Fixed asset investments are a form of financial instrument and are initially recognised at their transaction cost and subsequently measured at fair value at the Balance sheet date, unless fair value cannot be measured reliably in which case it is measured at cost less impairment. Investment gains and losses, whether realised or unrealised, are combined and shown in the heading 'Gains/(losses) on investments' in the Statement of financial activities incorporating income and expenditure account.

1.8 Interest receivable

Interest on funds held on deposit is included when receivable and the amount can be measured reliably by the charity; this is normally upon notification of the interest paid or payable by the Bank.

1.9 Debtors

Trade and other debtors are recognised at the settlement amount after any trade discount offered. Prepayments are valued at the amount prepaid net of any trade discounts due.

1.10 Cash at Bank and in hand

Cash at bank and in hand includes cash and short term highly liquid investments with a short maturity of three months or less from the date of acquisition or opening of the deposit or similar account.

1.11 Liabilities and provisions

Liabilities are recognised when there is an obligation at the Balance sheet date as a result of a past event, it is probable that a transfer of economic benefit will be required in settlement, and the amount of the settlement can be estimated reliably. Liabilities are recognised at the amount that the charity anticipates it will pay to settle the debt or the amount it has received as advanced payments for the goods or services it must provide. Provisions are measured at the best estimate of the amounts required to settle the obligation. Where the effect of the time value of money is material, the provision is based on the present value of those amounts, discounted at the pre-tax discount rate that reflects the risks specific to the liability. The unwinding of the discount is recognised within interest payable and similar charges.

1.12 Financial instruments

The charity only has financial assets and financial liabilities of a kind that qualify as basic financial instruments. Basic financial instruments are initially recognised at transaction value and subsequently measured at their settlement value with the exception of bank loans which are subsequently measured at amortised cost using the effective interest method.

1.13 Pensions

The charity pays pension contributions into their staff's personal pension schemes.
